experience that has helped me deal with my problems.

(Describe in your own words, how watching channel 63 has affected
your life.)

Government can't do it all. By viewing
channel 63. my eyes have been opened to
the needs of hurting people in our nation as
well as worldwide. I find that when
a petition for help is announced the
public will respond. This is what I meant
when I said the Government can't do it all.
The Church of God is called upon to act,
and by channel 63 presenting some of the
needs of the hurting world, the Church can
do her duty and respond.

Jesus is Lord!

of perjury of laws of the state of Georgia, and I understand that this
